Week ending: Friday 7th July, 2017.

National Teaching School
designated by

National College for
Teaching & Leadership

Sports Day—Monday 10th June (weather dependent).

Lower School 10am Upper School 1.45pm

Doors will open 15 mins prior to start time

You must park off the school site unless you can find a proper parking space. Please do not double park or block access for the mini-buses. If your child is in the upper school you may take them with you when you leave—but please inform transport in advance if you will be doing this. If it is raining we will have to cancel and will inform you via a parentmail text message.

Development of our Library Area

The school are currently looking for sponsorship in order to develop our library area into a more multi-sensory and engaging learning space.

We have developed a plan for the space to include new technology such as virtual reality, scent machine, wind machine, and mist as well as interactive devices to make our topics come alive. We Also plan to have more specifically focused and engaging texts which follow our termly topics with accompanying learning props.

If you—or maybe a friend/family member/contact may be able to help with sponsorship to help support this re-development please do let us know.

School Lunches—will be going up in price at the start of the Autumn term to £2.30 per day. If you have an **outstanding balance for school dinners please** can you make sure that it is paid before the end of this term. Many thanks.

Please complete and return your parent questionnaire. Your responses help us to evaluate what we are doing well, and areas that may need improvement or change. If you would like a response to a specific area of concern please include your child's name and class.
